Response to Arguments

1. Applicant's arguments filed on February 22, 2005 have been fully considered and are persuasive. The rejection of the Office action filed on November 19, 2004 has been withdrawn.

Allowable Subject Matter

2. **Claims 1 – 16 and 18 – 41 are allowed, renumbered as 1 – 40, respectively.**
The following is an examiner's statement of reasons for allowance:

Regarding to the claimed invention, the prior art of record fails to show or render obvious of a method and its corresponding apparatus of multi-carrier communication system combining data and pilot data to provide signal comprising discrete data signals, each having a data portion and a pilot data portion. The composite signal is transmitted and a corresponding composite signal received on a communication channel having varying characteristics. An added pilot semi-blind channel estimator and an equalizer apply a converging iterative process to estimate characteristics of the communication channel and the transmitted data.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
